

EAGLES' NEST NEWS

It's just amazing how fast this year has flown by. We appreciate so much, all those who have helped make this a successful year with your support and prayers for this ministry.

THANK YOU!!!

ORPHANAGE

During this time of the year our kids get very excited and start their wish lists for Christmas. Over the years, many of you have sent gifts or given money for special needs. This really impacts our kids in a positive way, knowing they are loved and remembered at Christmas! If only it were possible for you to see the excitement on their faces as the gifts arrive and they impatiently wait for them to be handed out!

If you would like to send a gift for a child please contact Pat at her email, pfbwiley@gmail.com or phone [956-605-9433](tel:956-605-9433), for sizes of clothing and shoes or the "Wish List". Also, if you prefer, you can just send the money and we will do the shopping for you.

We THANK YOU, in advance, for reaching out to these children.

NATIVE PASTORS

Over the past several months two of our native pastors have been blessed by receiving vehicles. The vehicles they had were beyond repair and worn out from all the trips they make to minister in the villages. THANKS to Tommy and Barbara Harmon for reaching out to help with this need! They were instrumental in getting these vehicles donated then towed them all the way from Mississippi to the border where our native pastors received them.

We have several other pastors that are in need of upgrading their vehicles. Maybe you have a minivan or SUV that you would like to donate which would be a GREAT BLESSING.

As this year come to an end, we want to thank you all for your faithful support and prayers and to wish everyone a VERY MERRY CHRISTMAS and A BLESSED NEW YEAR!!

Love and Blessings,
The Wileys
